

NOMALIZO NKOSI

Junior Software Developer Email: nkosinomalizo@gmail.com Contact Number: 0721432088

PROFESSIONAL SUMMARY

Proactive and vibrant junior software developer in using C# and Xamarin, Kotlin, JAVA and Swift. I bring dynamic energy to my work. Passionate and driven, I thrive under pressure and love collaborating in dynamic settings. I am now seeking an exciting role to fuel my personal and professional growth in the industry. With diverse skills and a zest for IT, I am ready to make a positive impact, driving innovation and bringing projects to life.

WORK EXPERIENCE

Norninradd, Sandton - Junior Developer - August 2022 - Present

Key Duties:

- Developing innovative and user-friendly mobile solutions using Xamarin, C#, Kotlin, and Swift, while collaborating with cross-functional teams for seamless integration across platforms.
- Building dynamic and responsive websites by implementing front-end designs and optimizing performance using HTML, CSS, JavaScript, and web technologies.
- Developing cross-platform mobile applications with intuitive interfaces, robust functionality, and platform-specific API integration, leveraging Xamarin Forms and C#.
- Supporting native Android and iOS app development, implementing features, resolving bugs, and enhancing performance using Kotlin and Swift.
- Ensuring optimal functionality and performance by identifying and resolving issues or bugs. Work with databases to manage data efficiently.
- Continuously learning and researching to enhance knowledge and skills in mobile and web development.
- Conducting thorough testing to ensure the functionality, performance, and reliability of mobile applications and web solutions.
